Two changes have been made to the page INDEX.HTM on the website COMPANY.COM . You can preview these changes by clicking HERE.
115
These changes will be written to your LIVE development site only after you have previewed and approved your changes. If you have not approved the changes by Friday, July 28th at 12:00 a.m., your changes will be discarded.

The following request has been successfully processed, and TWO items on the page INDEX.HTM have been updated. The page has been published to http://development.company.com/index.htm, and can be posted to your production site with either a single-page POST request or a SITE POST request.
To undo the change indicated above, click HERE.
183
Clicking the link above will restore the page INDEX.HTM to it's previous state (before these TWO items were updated).
